Grandparent of the Year Award- Coffs Harbour Region 2012

ABOUT THE AWARDS:

Grandparents play a vital role in our society, both as custodians of individual and cultural memories and providers of care love and guidance to their children and grandchildren.

C.ex Group has joined forces with Coffs Harbour City Council to create a Grandparent of the Year Award for the Coffs Harbour Region in October 2012.

This provides an opportunity for members of the community to nominate an exceptional grandparent with a winner to be announced on Grandparents Day, Sunday 28th October 2012.

ELIGIBILITY:

- Nominees do not necessarily need to be a grandparent, but must be involved in sharing inter-generational knowledge
- Sitting state and federal politicians are not eligible
- Couples are eligible for nomination and the nomination should refer to both nominees' contributions
- No weight is given to the number of times a person is nominated
