We acknowledge the traditional custodians of the land on which we live and work and we pay our respects to the Elders both past and present

21st November, 2018

Dear Parents and Carers,

Welcome back to Leonie who returns to school this week. It has been an absolute pleasure relieving as principal during the past 4 weeks. Thank you to Miss Bullen who has been relieving as deputy also during this time. I feel very honoured to spend each day working with such fantastic staff, students and parents at our school.

Congratulations to our CHPS Cybernetic Whales who competed in their first LEGO League Robotics competition yesterday at Toormina High School. They competed against local primary and high schools and from the looks on their faces when they returned, they had a fantastic day! They also won an Innovative Solution award! Well done to Miss Leeson and her team of Lego Robotics enthusiasts.

The end of year is fast approaching with many fun activities happening. Please remember to check the school calendar regularly to ensure you keep up to date with all of our events for the remainder of the year. What a terrific 2018 it has been so far and we look forward to another 5 weeks of learning and fun.

Have a great week,
Kellie

Pollination Week Excursion

Last week 3M and 4/5M attended Pollination Week at the Botanical Gardens. Students worked through three workshops where they learnt about bees and pollination. They also made some mud bricks for the gardens new 'Bee Hotel' and were given the opportunity to make their own 'Insect Hotel'. The students walked through the beautiful gardens and had a look at a native bee hive in action! We would like to thank Sue from the Botanical Gardens who invited us and organised the afternoon.

Recycling Week - Nude Food Day

Thank you to everyone who participated in the 'nude food' day as part of Recycling Week at our school last Friday. Here's a selection of some delicious looking lunches.

P&C News

Our next P&C meeting will be held Wednesday 5th December at 6pm in the staff room.

Currently, we are a small group but we are always looking forward to welcoming new members who may be interested in being part of our P&C.

The P&C is a great way to meet other parents and be involved with activities and fundraising for the school. There is no pressure to commit or to attend all meetings and events.

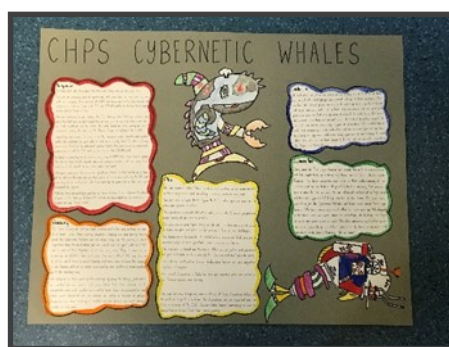

If this is something that might interest you please come along to the next meeting and we can give you further information. Alternatively, you can contact us through our email or Facebook page.

For all inquiries please email us at chpspandc@gmail.com

You can also get regular updates on our Facebook page: <https://www.facebook.com/chpspandc>

Robotics Competition

The CHPS Cybernetic Whales competed in the FIRST Lego League Robotics Competition yesterday. They worked very hard to get ready for the event. This year's theme was "Into Orbit" and based on space travel. There were three parts to the competition: Robot Games, Project Presentation and Core Values Poster. The students have been using plenty of the 7 Dispositions to push through the challenges of the competition including being flexible, patient and persistent and open minded. As a part of the Project Presentation, the team had to select a problem they saw with long term space travel and come up with a solution by either creating something new or altering or adjusting something that is already available. The Cybernetic Whales found an interest in how to generate oxygen naturally and this was the basis for their research project. Miss Leeson was extremely proud of the awesome sportsmanship, team spirit, innovation and determination she witnessed in the team while they were preparing and on the challenge day. It is fantastic to see so many amazing opportunities for CHPS to succeed in the area of STEAM!
