**22nd August, 2018**

Dear Parents and Carers,

Today I had a meeting to discuss our major works timeline. I am happy to announce the successful contractor is Lipman Pty Ltd and I look forward to letting our community know more about when they will start in the next couple of weeks.

This week I have had the pleasure of Learning Walks in KG, KW, KD, 1P and 1M. It was fantastic to spend time in these classes to observe the students working so well. All classes were involved in Literacy lessons and it was wonderful to see the high quality writing happening across the classes.

Our P&C will be setting up the Father's Day stall next Thursday 30 August. The remainder of goods will be sold on Friday 31 August. Thanks a lot to our P&C for organising the stall.

The students are thoroughly enjoying the school's sustainability garden. I often see students watering plants and enjoying sitting on the seat in the butterfly garden. Plants in the orchard and bush tucker garden are ready for planting. It's a wonderful space that allows our students further enjoyment outside.

Have a great week,

Leonie

## **School attendance SMS**

Yesterday we had a successful trial of the new SMS Attendance Alert system. If you did not receive a text message from the school yesterday, could you please contact the office and update your mobile phone details. From Monday the 27th August 2018, a message will be sent out to the nominated parent/carer if your child is absent from school. Messages will be sent at approx. 10:15 am. Only one SMS can be sent per student.
