**We acknowledge the traditional custodians of the land on which we live and work and we pay our respects to the Elders both past and present**

**29th August, 2018**

Dear Parents and Carers,

This week we celebrate Multicultural day.

Our diversity is increasing, and that's something to celebrate. And celebrate we did today with the wonderful festivities around our school.

At our school we now have 40% of our student population who have English as an additional language. There are 37 different languages that are spoken in the homes of our students. Our students come from 44 different countries.

Our shared Australian values of respect, equality and freedom go beyond our different cultures, and are what makes Australia such a great place to live. This message goes beyond today. It can be lived by each of us, every day.

Have a great week,

Leonie

## Caught Being Good Award

Our **Caught Being Good** award for Term 3 - Week 3 was awarded to Summer-Rae 4M.

Congratulations Summer-Rae!

## Food Smart Program

Hi everyone,

Many of our Food Waste families have completed their first food waste audit and are now using their FREE Food Smart kits to reduce their food waste at home. It's easy, saves you money and helps the environment!

### Best Before and Use Buy dates

Food labels did not even exist when our Grannies were around and they would never have thrown good food away, so why should we? Of course, we don't want people eating mouldy food, but relying on labels alone will always lead to good food ending up in the bin.

Know the difference between use-by and best before dates.

#### **BEST BEFORE = QUALITY**

The food supplier's recommendation of when the product is at its 'best', it's perfectly safe to eat after this date.

#### **USE-BY = safety**

The manufacturers guide to when the product should be consumed for food safety reasons. Whilst it's not really recommended to eat food past this date, use your senses to gauge whether food is edible.

Keep up the great work!

### Beeswax Wrap Workshop

Our school will be hosting two FREE beeswax wrap workshops for those families who have registered with the Food Smart Program. The session will include how to make the wraps and making some of your own. Book now as there are limited spots for both sessions.

Regards,  
Miss Morgan

# Attendance Information For Parents

- School attendance is **compulsory** for students aged 6-17 years.
- Regular attendance is extremely important if children are to gain the maximum benefits of school.
- **Be positive** about your child's school and teachers. Make supportive comments about school activities and school rules. If parents are positive, it is likely the child will share the same attitude.
- **Encourage** attendance at all times. A child will value education if the parent does.
- Offer praise for regular attendance.
- Your child should attend school every day possible. Birthdays are not an acceptable reason for being away.
- If your child does miss a day of school please provide an **explanation note or phone call** as soon as possible, you have seven days to provide an explanation.

Students have a good start to the day when they:

- *arrive on time*
- *have a good night sleep;*
- *have plenty of time set aside to get ready in the morning;*
- *eat a healthy breakfast;*
- *are organised for the day*

If you are having problems getting your child to school ask the school for help.

## P&C NEWS

Our next P&C meeting will be held on Wednesday 12th Sep at 6pm in the staff room.

The P&C will be holding a Father's Day Stall this week. It will be open on Thurs 30th Aug and Fri 31st Aug with items priced between \$1.00 - \$6.00.

We are always after extra volunteers - these stalls can be quite busy and it would help us out a lot to have more volunteers. If you are interested in helping out at the stall please email us or leave your name and phone number at the office.

We are always looking forward to welcoming new members who may be interested in being part of our P&C. If this is something that might interest you please come along to a meeting and we can give you further information.

For all inquiries please email us at [chpspandc@gmail.com](mailto:chpspandc@gmail.com)

You can also get regular updates on our Facebook page: <https://www.facebook.com/chpspandc>

## Girls Touch Football Knockout

Last Friday the Girls Touch Football Team travelled to Woolgoolga Public School for Round 4 of the Girls Touch Football Knockout. Unfortunately the girls were defeated 7-0 by a strong team. The girls showed great sportsmanship and were gracious in defeat. Well done to the girls for representing our school with pride.
