We acknowledge the traditional custodians of the land on which we live and work and we pay our respects to the Elders both past and present

9 June 2020

Dear Parents and Carers,

Welcome to Week 7 of the term.

It is great to have our students back at school. The attendance of students has been fantastic and I would like to congratulate our school community. Let's keep this going!

Our perimeter fence with gates is now completed. If you are wishing to come to the school during operational times, please push the button on the electronic gate and the ladies in the office will buzz you in.

Over the next few months we will be planting 24 new trees to replace the ones that have been cut down for the fence. Our sustainability committee are currently investigating the most suitable trees.

Over the weekend we had further works done between the library and the oval. The old sports shed has now been demolished and the space filled in with soil. On Saturday it was re-turfed. The space looks great. A new sports shed will be constructed near the bus shed.

Teachers will start to write their Semester 1 reports from this week. Parents and Carers will be asked to add a few sentences to reports. This will ensure we have a balanced report considering that students have been learning from home throughout the Semester as well as at school. Information will be sent home soon to give you the opportunity to make some comments and give feedback.

As the weather begins to cool down, please make sure your child is in the school jumper or jacket. We have them for sale in the office.

Have a great fortnight,

Leonie

Refugee Week (June 14 – 20) is an annual event

throughout Australia which celebrates the rich diversity of refugees and the valuable contributions refugees make to Australian society. The theme for Refugee Week 2020 is 'Celebrating the Year of Welcome.' At CHPS a culture of respect amongst families from all cultures is promoted. Being safe and feeling secure can take time to achieve – staff at our school help to build a sense of belonging and trust for all students and families. Cultivating a culture of respect, caring and inclusion of difference amongst the whole school community is very important for supporting all students. We instil understanding and challenge racism, foster social tolerance and an appreciation for our cultural and religious diversity. To show unity and solidarity through these challenging and unprecedented times promotes empathy and understanding and provides connections throughout the community.

Hooks for sale

We have installed new brightly coloured bag holders outside the classrooms and are offering for sale these old metal bag hooks. They are available at the office for a bargain price of \$10.00 for 5 hooks.
