**We acknowledge the traditional custodians of the land on which we live and work and we pay**

**28 November 2022**

Dear Parents and Carers,

Welcome to week 8 of the school term. It's hard to believe that students only have three more weeks of school before the summer holiday break.

## **Congratulations Student Leaders**

Last week the ten school leaders for 2023 were announced. Congratulations to Jenny GB, Kinzi D, Sabine N, Eliette MP, Lottie R, Yedidia M, Will B, Joshua N, Aila KE and Raman D.

Of these ten leaders the four school captains will be announced at the Presentation Day assembly. We are now awaiting the sports leaders and cultural ambassadors to be announced and then our 2023 student leadership team will be finalised. We are so fortunate to have the depth and quality of students wanting to be in a leadership position for 2023. Thank you to all students who have given their best to the SLIPS program and to writing/ making speeches. It takes enormous courage to put yourself forward.

## **Swimming Scheme**

Last week students in Years 2, 3 and 4 participated in daily swimming lessons and this week it is Years 5 and 6 and special education students. Thanks so much to Mrs Jupe and Mrs Campbell for organising the program and to our CHPS staff for the daily commitment so that students have the best opportunity to learn water safety skills.

## Community Breakfast

We have loved bringing our community together for a breakfast each term. Students really enjoy sharing their school environment with their family members and introducing their friends and peers. Thank you to our families for joining us and we look forward to continuing these in 2023. Last Wednesday over 500 sausages were cooked. Wow!

## Reports

The final touches are being put into completing student reports for semester 2. Children will be bringing their reports home on Monday 12 December 2022. We hope you and your child gain a lot from reading their report. Please remember that if your child is meeting their grade expectation in a subject area, they will be given a 'C' for sound. If they are working above the grade expectation they will be given a 'B' for high. If at any time you would like to discuss your child's progress or report please contact the school office to make an appointment with your child's teacher.

## CHPS Hub

This Wednesday the CHPS hub will give parents and carers an opportunity to hear about the CHPS Behaviour Plan that has just been reviewed to meet the new Department of Education guidelines. At the hub we will also be sharing some information about some minor additions to our school uniform for 2023 and seeking your feedback. If you have time we would love to have you join us at 2.15pm. Please sign in at the office and you'll be directed to the room by our friendly office staff.

## Retirements

At the end of the year we will be farewelling two of our amazing teachers.

Mrs Deb Newton has been working at CHPS for thirteen years and for many of those years Deb has been instrumental in supporting our students where English is an additional language or dialect. Deb will be greatly missed by students, staff and our broader community.

Mrs Louise Blomfield has been working at CHPS for seven years as one of our executive. Louise was an Assistant Principal and then was promoted to Instructional Leader and then moved into the Assistant Principal curriculum and instruction role. Louise has worked side by side with our teaching staff and has given the most fantastic professional learning in literacy and numeracy to them.

On behalf of the school community, we wish both outstanding educators a happy retirement and congratulate them on an outstanding career.

Have a terrific fortnight,

Leonie
