We acknowledge the traditional custodians of the land on which we live and work and we pay our respects to the Elders both past and present

5 September 2022

Dear Parents and Carers,

Father's Day

I hope our dads, grandpas and significant men in our childrens' lives all had a wonderful Father's Day on Sunday. A huge thank you to one of our families, who once again donated three prizes for our Father's Day raffle. All students automatically went into the raffle. Congratulations to Alana F, George L and Jordan F who were the lucky winners of the Father's Day hampers.

Community Breakfast

Thank you to the many families who were able to join us last Friday morning for a sausage sizzle breakfast. It is really special for the students to be able to share their school with family members and as staff, we love having our families join us.

3 Way Conferences

There is still time for appointments to be made for the three way conferences (teacher/ student/parent) next week. Please go online and make an appointment. If you are not sure how to do this, our CHPS Hub will be open this Wednesday at 2.30pm and we will have staff on hand to help.

Soccer

Congratulations to our school soccer team who are up to the next round of the PSSA knockout. Their next game is against Port Macquarie. Good luck to the team and keep up the great work.

North Coast Athletics

Congratulations to all students who represented our school so well at the North Coast Athletics Carnival last week. We have three students who will now progress to the PSSA State Carnival and we wish Poppy B, Aylani C and Keisha D all the best.

Congratulations

Last week Mrs Karen Nyhan was successful in gaining a permanent position in our school as Assistant Principal Curriculum and Instruction. Karen has been relieving in the role all year and has done an outstanding job.

Attendance

Just a reminder that if your child is absent from school, the class teacher requires a reason for the absence. Please ensure that you have written a note to explain their absence. Our aim is to have 90% or more of our students at school 90% or more of the time.

Have a great fortnight,

Leonie

Mr Shaw's Message

Scripture

NSW schools offer special religious education and special education in ethics. Approved providers deliver these, where available.

Write to the school if you wish to withdraw, or include your child in special religious education, sometimes known as scripture. Special education in ethics is currently not an option for your primary-age child if you withdraw them from special religious education. For more information, visit Religion and ethics on www.education.nsw.gov.au.

At Coffs Harbour Public School, SRE is delivered once each week for 30 minutes.

On enrolment parents/carers will be given the SRE participation letter to complete and return. After the initial enrolment, notification of changes to a child's enrolment in SRE should be given to the school office in writing.

The following SRE classes are offered at Coffs Harbour Public School:

- Combined Christian SRE is provided by Generate SRE. More information about Generate SRE, including the authorised curriculum scope and sequence, please visit the Generate SRE website.
- During the time that SRE classes are being held, students not attending will be located in a separate space and will participate in meaningful activities including reading, private study or completing homework.
